

A leading, independent asset manager

For over half a century, AGF Management Ltd. (AGF) has been providing asset management services to institutions and individuals around the globe. As an independent firm, we strive to help investors succeed by delivering excellence in investment management and providing an exceptional client experience.

Our suite of diverse investment solutions extends globally to a wide range of clients including: pension plans, corporate plans, sovereign wealth funds, endowments and foundations.

AGF has investment operations and client service teams on the ground in North America, Europe and Asia. This strong regional presence provides our clients with timely knowledge, insight and understanding of global markets – no matter where your organization is located.

Four cornerstones of our investment approach

→ SHARED INTELLIGENCE

We embrace the collaborative autonomy of investment teams that operate with a global presence, delivering solutions based on distinct investment philosophies.

→ DISCIPLINED PROCESSES

Our portfolio management teams adhere to disciplined investment processes that lead to long term investment excellence.

→ INNOVATIVE THINKING

We build on our premier reputation of over half a century of independent and innovative investment thinking.

→ PEOPLE-FIRST CULTURE

As stakeholders, we invest in our people to foster an open environment based on passion, integrity and professional respect.
