## AGF's Award-Winning History: 1995-2010

February 2010

Investment management firm AGF has a long history of being recognized in the industry for its fund management, advisor services, leadership and marketing efforts. Over the years, both the Canadian Investment Awards and the Canadian Lipper Awards have presented AGF with a number of accolades and recognition for our commitment to excellence in money management.

The Canadian Lipper Awards program highlights funds that have excelled in delivering consistently strong risk-adjusted performance, relative to peers. Trophies are presented to fund families (Equity, Bond, Mixed Assets and Overall) and to funds that top their respective CIFSC classifications.

This year (February 2010), AGF Emerging Markets Fund won two Lipper awards – a trophy as Best Emerging Markets Fund for three-year returns and a certificate for best five-year returns in the Emerging Markets Equity category. This Fund was also recognized with a certificate at the 2008 Lipper Awards for the best five-year returns.

At last year's Lipper awards, AGF was honoured as Best Overall Fund Family and Best Mixed Asset Fund Family for having the best risk-adjusted performance, within the equity and mixed-asset classes, over a three-year period ending December 31, 2008.

AGF Canadian Balanced Fund won three Lipper awards in 2009 – a trophy as Best Canadian Equity Balanced Fund for one-year returns and two certificates for best three- and five-year returns in the Canadian equity balanced category. This Fund was also recognized with a certificate at the 2007 Lipper Awards for the best one-year returns.

The Canadian Investment Awards (CIA) recognize leading investment products and firms illustrating an enduring commitment to excellence within the Canadian financial services industry.

In 2009, AGF Emerging Markets Fund won the Emerging Markets Equity Fund Award for the fourth time and was praised for its consistent long-term high performance.

In 2008, Canadian financial advisors chose AGF Funds Inc. as the Advisors' Choice Investment Fund Company of the Year for the second time in three years. And in 2007, AGF Management Limited Chairman and Chief Executive Officer Blake C. Goldring was honoured with the prestigious Person of Influence Award.
