**THE AGF FIXED INCOME TEAM**

The AGF Fixed Income team comprises a multi-disciplinary team based in Toronto, Canada that manage assets on behalf of retail and institutional clients. The team has a long and distinguished history, dating back to 1957, of managing a wide range of Canadian and global fixed income mandates. A global framework allows the team to strategically allocate to a wide range of fixed income categories and currencies, deriving value from category allocation, country allocation, the yield curve, credit and currency. The Team's extensive experience actively managing global fixed income mandates and the efficient use of specialists' results in a better diversified portfolio with multiple alpha-generating sources of return, while employing risk-mitigation strategies to reduce overall portfolio risk and volatility.

All information is in Canadian dollars. The performance data provided assumes reinvestment of distributions only and does not take into account sales, redemption, distribution, optional charges or income taxes payable by any securityholder that would have reduced returns. Management fees, commissions, including trailing commissions, and expenses may all be associated with pooled fund investments. Please read the offering memorandum before investing in Pooled Funds. Pooled fund investments are not covered by the Canada Deposit Insurance Corporation or by any other government deposit insurer.

Past performance is not necessarily a guide to future performance. Their unit values change frequently and past performance may not be repeated. The payment of distributions is not guaranteed and may fluctuate. The value of investments and income from them can fall and rise. Investments denominated in foreign currencies are subject to fluctuations in exchange rates, which may have an adverse affect on the value of the investments, sale proceeds and on income.

The AGF Pooled Funds are prospectus-exempt products, and are being offered on a private placement basis. Units are being offered on a continuous basis in accordance with applicable securities legislation to investors who meet the definition of "accredited investor" under the legislation (individual accredited investors are required by AGF to invest a minimum of \$25,000 per fund, and institutional accredited investors are required to invest a minimum of \$1,000,000 per fund). Units of the Fund can be purchased through applicable dealers, and are offered to investors resident in the provinces or territories of Canada pursuant to exemptions set forth under NI 45-106 from the prospectus requirements (and, if and where applicable, from the dealer registration requirements) contained in the applicable securities legislation.
