NOMINATING AND CORPORATE GOVERNANCE COMMITTEE CHARTER

The Nominating and Corporate Governance Committee (the “Committee”) is established by the Board of Directors (the “Board”) to review and recommend to the Board the Corporation’s approach to governance issues, to assess the effectiveness of the Board and its Committees, and to review candidates for nomination to the Board.

MEMBERS

The Board shall annually appoint the members of the Committee. The composition of the Committee shall comply with the following:

- The Committee will consist of at least two members.
- All of the members of the Committee must be a director of the Corporation.
- Each member must be independent according to applicable laws and rules, if any, of applicable stock exchanges.
- Any member may be removed and replaced at any time by the Board.

MEETINGS

The Committee shall meet at such time and place as is designated by the Chair following a request from a Committee member, management, or the Board but at least on a semi-annual basis. Notice of the time and place of the meeting shall be given in writing or telephone or other electronic means to each member of the Committee at least two business days prior to the time fixed for the meeting. A member may waive notice of a meeting at any time. To the maximum extent possible, the agenda and meeting materials will be circulated to the members in advance to ensure sufficient time for review prior to the meeting. If the Chair is absent or if the position is vacant, any member of the Committee may call a meeting. At any meeting of the Committee, a quorum shall be a majority of the members. The Corporate Secretary of the Corporation, his or her designate, or any other person the Committee requests, shall act as secretary of the Committee. The secretary of the Committee will keep regular minutes of Committee proceedings, and will circulate them to all Committee members, the Chair of the Board, and to any other director on a timely basis, when requested.

All directors who are not members of the Committee have a standing invitation to attend meetings of the Committee, but may not vote. Additionally, the Committee may invite to its meetings any director, member of management of the Corporation, or such other persons as it deems appropriate to carry out its responsibilities.

The Committee can conduct all or part of any meeting in absence of management. At each regularly scheduled and each special Committee meeting, the independent directors will hold a private meeting at which non-independent directors and members of management are not present. Any member of the Committee may make a request to the Chair for a Committee meeting or any part thereof to be held without management present.
