Instructions

When to use this form

If you are the holder of an FHSA, use this form to directly transfer property from your FHSA to another of your FHSAs, RRSPs or RRIFs.

If you are making more than one transfer from your FHSAs to your FHSAs, RRSPs or RRIFs, fill out a separate form for each transfer.

Who fills out this form

The **FHSA holder** will fill out and sign Part 1, Part 2 and Part 3, and then give the form to the FHSA or RRSP issuer or RRIF carrier that will be receiving the property.

The **FHSA or RRSP issuer or RRIF carrier** receiving the property from the FHSA will fill out and sign Part 4 and send the form to the transferor. Once the FHSA or RRSP issuer or RRIF carrier receives the property from the FHSA and the form from the transferor, they will fill out and sign Part 6.

The **transferor** transferring the property from the FHSA will fill out and sign Part 5. Once completed, the transferor will transfer the property from the FHSA and the form will be sent to the FHSA or RRSP issuer or RRIF carrier.

The FHSA holder, FHSA or RRSP issuer or RRIF carrier, and transferor should keep a copy of the form for their records at each step outlined above.

Do **not** send a copy of this form to the Canada Revenue Agency (CRA) unless the CRA asks to see it.

Reporting requirements

The transferor should not issue a T4FHSA slip to record the amount transferred. The transferred amount is not required to be included in the FHSA holder's income.

The FHSA or RRSP issuer or RRIF carrier who receives the transfer should not issue a T4FHSA slip or RRSP contribution receipt for the amount transferred. The FHSA holder cannot deduct the amount transferred from their FHSA to another of their FHSAs, RRSPs or RRIFs.

The amount transferred will not reduce the FHSA holder's unused FHSA participation room or unused RRSP deduction room.

Exceptions for FHSA holders who have an excess FHSA amount at the time of the transfer

If the FHSA holder has an excess FHSA amount at the time of the transfer and they transfer property from their FHSA to their RRSP or RRIF, any portion of the amount transferred that exceeds the total FMV of all the property held in all of their FHSAs at the time of the transfer **minus** their excess FHSA amount at the time of the transfer, will be treated as both:

- a taxable withdrawal from their FHSA, which must be included as income on their income tax and benefit return for the year of the transfer
- a new contribution to their RRSP at the time of the transfer

For more information, go to canada.ca/transfers-between-fhsa-rrsp-rrif.

Note: FHSA or RRSP issuers or RRIF carriers do not have any additional reporting requirements when an excess FHSA amount is included in the transfer.
