Notwithstanding the above, the Trustee shall never be obliged to refund in advance the investments held under the Plan for purposes of transfer and may, at its entire discretion, either (i) delay the requested transfer accordingly, or (ii) where such investments consist of identifiable and transferable securities, effect the transfer by the remittance of such securities.

5. Improper payments: Should any money or assets held under this Plan be paid out contrary to the Act, the Regulation or this Agreement, the Trustee will provide or ensure the provision to the Annuitant of a pension in an amount that would have been provided had the money not been so paid out.

6. Conditions for transfer: Before transferring any money from this Plan to another Financial institution, the Trustee shall advise the transferee Financial institution in writing of the locked-in status of the money being the object of the transfer and shall make the transfer subject to the compliance with the conditions set forth in section 29 of the Regulation. Where the Trustee does not comply with any one of the above conditions, if the transferee Financial institution fails to pay the money transferred in the form of a pension or in the manner required or permitted by the Act or the Regulation, the Trustee shall provide or ensure the provision to the Annuitant of a pension in an amount equal to the pension that would have been provided had the money not been paid out or transferred contrary to the provisions of the Act or the Regulation.

Any transaction purporting to assign, charge, alienate or anticipate the money or assets held under this Plan is void.

9. Requirement form of pension: The pension to be provided to the Annuitant must not be established in a manner that differentiates on the basis of the sex of the Annuitant, unless the Annuitant can provide to the Trustee satisfactory evidence that such differentiation would be allowed in the circumstances. Such pension must, where the Annuitant was a member of the plan from which the assets in this Plan were transferred and such Annuitant has a Spouse on the date at which the pension commences be a joint pension that complies with section 34 of the Act, unless the Spouse of the Annuitant waives his or her entitlement in the manner prescribed by the Act and the Regulation and satisfactory evidence thereof is given to the Trustee.

10. Compulsory transfer: The money and assets held under this Plan shall be affected to a permitted transfer as provided at section 3 hereof before the end of the calendar year in which the Annuitant attains the age of 71 years, at the choice of the Annuitant as specified in writing. However, if the Trustee has not received from the Annuitant the necessary documentation to start a pension or effect such transfer, within 90 days prior to the end of the calendar year in which the Annuitant attains the age of 71, the Trustee shall, at his entire discretion, either purchase an immediate Life annuity contract for the Annuitant, in compliance with subsection 3.2 hereof, or transfer the balance of this Plan to a RIF for the Annuitant, as defined in section 29.1 of the Regulation.

11. Death of the Annuitant: Should the Annuitant die before the commencement of the pension and not be survived by his or her Spouse, then notwithstanding any other provision of this Agreement, the money and assets held under this Plan shall be payable by way of lump sum to any beneficiary lawfully designated to receive same or, in the absence of such designation, to the estate of the Annuitant. Such payment shall be effected after receipt by the Trustee of satisfactory evidence of the Annuitant's death and of entitlement to the funds in question. If on the death of such Annuitant, the Annuitant has a Spouse, the surviving spouse may elect to receive the money held under this Plan as a lump sum payment or may elect to transfer the money held under this Plan to one of the following:

- 11.1 another plan that permits the transfer, if any payment from the other plan is a payment that would otherwise be required by this Act;
- 11.2 a prescribed RRSP;

11.3 an insurance company to purchase a deferred pension that is not commutable and that will not commence earlier than the earliest day on which the pension could have commenced pursuant to the plan;

11.4 a pooled registered pension plan within the meaning of The Pooled Registered Pension Plans (Saskatchewan) Act; or

11.5 any other prescribed retirement plan that is registered pursuant to the Income Tax Act (Canada).

If such election is not made within 180 days following the day on which proof of death of the Annuitant is provided to the Trustee, the surviving spouse will be deemed to have elected to receive a lump sum.

12. Spousal relationship Breakdown: Notwithstanding any contrary provision of this Agreement, this Plan shall be subject, mutatis mutandis, to the provisions of Part IV of the Act relating to marriage breakdown.

13. Representations and warranties of the Annuitant: The Annuitant represents and warrants to the Trustee the following:

13.1 that an entitlement to receive a pension under a pension plan governed by the Act is vested in him/her;

13.2 that he/she is entitled to effect a transfer of his/her pension entitlements pursuant to the Act;

13.3 that the funds transferred herein are locked-in funds resulting directly or indirectly from the commuted value of the Annuitant's pension entitlements and are transferred herein pursuant to the Act or the Regulation; and

13.4 that the provisions of the pension plan do not prohibit the Annuitant from entering in this Agreement and, in the event that such prohibition does exist, the Trustee shall not be liable for the consequences to the Annuitant of executing this Agreement nor for anything done by the Trustee in accordance with the provisions hereof.

14. Representations and warranties of the Trustee: The Trustee represents and warrants to the Annuitant that a specimen certified copy of Retirement Savings Plan and this Agreement, including any amendments thereto, has been filed with the Superintendent of Pensions for Saskatchewan, that same was approved by the Superintendent and that such approval has not been revoked.

15. Governing terms: The money which is the object of the transfer shall be held by the Trustee in accordance with the terms of the Retirement Savings Plan and the provisions of this Agreement, provided that in the event of any conflict between the provisions of the Retirement Savings Plan on the one hand and this Agreement on the other, the provisions of this Agreement shall prevail.

16. Governing law: This Agreement shall be governed by the laws of the province of Saskatchewan.

17. Assigns: This Agreement shall be binding upon the parties hereto and their respective heirs, executors, administrators, successors and assigns.
